

Portfolio Pathway

Date: Thursday 3rd September 2026 **Time**: 9:30am - 4:30pm
Venue: https://us02web.zoom.us/j/86144202524 **CPD Points**: 6

Course Description

The Portfolio Pathway (formerly known as CESR) is the route to specialist registration for doctors who have not completed a GMC-approved training programme, but who can demonstrate that they have the knowledge, skills and experience (KSEs) required for practising as an eligible specialist in the UK.

Learning Outcomes

- Understand the application process and recognise who can apply
- Understand what they must do prior to application
- Understand the documentation and supporting evidence required
- Track your royal college requirements and understand what makes an effective CV

Any questions, please email:
healthcare@maguiretraining.co.uk

This Programme Includes

- Recognise the importance of developing and maintaining an individual portfolio
- Appreciate the overlap between the Portfolio pathway and revalidation
- Identify the evidence that is needed for the Portfolio pathway
- Understand how workplace-based assessments may be used to demonstrate equivalence to IMT and specialty curricula
- Appreciate the importance of setting objectives
- Set your own personal objectives relating to the Portfolio pathway
