Regional Activity
School of Radiology

NHS England
East of England

This document outlines the courses that are run and funded centrally via the Regional Teaching Fund and therefore should not incur an attendance cost to the resident doctor.

The resident doctor may claim travel expenses to these events in line with the LEPs terms and conditions. Attendance at all regional training relevant to the specialty and grade is expected and courses being provided regionally should not be attended externally and claimed from study leave, except in exceptional circumstances.

If there are any queries regarding the regional activity being held (dates/locations etc) please contact your Training Programme Director (TPD) in the first instance.
